

## *Thanksgiving Update*

Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with a wonderful Thanksgiving. And while the recent rise in COVID-19 cases all over the country has affected how we all are celebrating this holiday, our facility will be having a Thanksgiving Dinner at 11:00am with all the traditional items on the menu. All of our Residents were given invitations to attend our Thanksgiving Day celebration. They will be dining at special tables set up throughout our hallways to accommodate social distancing. The tables will be adorned with white tablecloths, centerpieces and place cards to make our Residents' holiday a brighter. Sparkling cider will also be served in champagne flutes.

Also, as a reminder the visiting booth is temporarily closed and we will update you when we are making appointments for visits again. Closed window visits and virtual visits are encouraged. Please contact the facility if you would like assistance in setting up a closed window or virtual visit. Essential care-givers visitation continues by appointment only.

As a reminder, our total number of cases to date are as follows: 5 (five) residents and 18 (eighteen) staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at Bridgecrest Rehabilitation Suites, I wish you a happy and safe Thanksgiving.

Sincerely,

*Susan Fox*

Administrator - Bridgecrest Rehabilitation Suites
