

## WEEKLY UPDATE

**July 29, 2020**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had two (2) residents and eight (8) staff members test positive for COVID-19. We conducted facility wide testing on July 1<sup>st</sup> and 2<sup>nd</sup>. No Residents tested positive and there are no Residents that are positive in the facility. All staff that tested positive are doing well all and most have returned to work. The restrictions regarding visitation are still in effect but we are glad to facilitate virtual and window visits with your loved ones. We also have a new visiting booth that is located in the Activity area courtyard now in use. Thank you to the volunteers who made the visiting booth happen for us. You are appreciated. Please contact the facility for assistance with arranging a virtual, window or visiting booth visits.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 713-340-5200.

Sincerely,

*Susan Fox*
